

Message from Program Chairs

LightSec 2011

Workshop on Lightweight Security & Privacy: Devices, Protocols, and Applications (LightSec 2011) will be held in Istanbul, Turkey, on March 14-15, 2011. The workshop is sponsored by EU FP7 Project ICE (Grant Agreement No: 206546) and by TUBITAK-BILGEM-UEKAE (The Scientific and Technological Research Council of Turkey, National Research Institute of Electronics and Cryptology).

The workshop received 27 submissions from 18 countries; 10 of these was selected for presentation in the workshop & publication in these proceedings. The paper acceptance ratio was %37. Each submission was reviewed by at least 3 reviewers (average number of reviews per submission was 3.4).

In addition to these contributions, the workshop program will include two invited talks given by Prof. Dr. Josep Domingo-Ferrer and Prof. Dr. Bart Preneel.

We would like to thank all the people who made this workshop possible: the workshop sponsors, Program Committee members & external reviewers, authors who submitted their papers, and finally, workshop attendees.
